BOSTON REDEVELOPMENT AUTHORITY

FIRST AMENDMENT TO THE REPORT AND DECISION ON THE APPLICATION OF INTERVALE-MAGNOLIA ASSOCIATES FOR THE AUTHORIZATION AND APPROVAL OF A PROJECT UNDER MASSACHUSETTS GENERAL LAWS (TER. ED.) AS AMEND- ED, AND CHAPTER 652 OF THE ACTS OF 1960, TO BE UNDERTAKEN AND CARRIED OUT BY A LIMITED PARTNERSHIP FORMED UNDER MASSACHUSETTS GENERAL LAWS CHAPTER 109, AND APPROVAL TO ACT AS AN URBAN REDEVELOPMENT LIMITED PARTNERSHIP UNDER SAID CHAPTER 121A.

Prior Proceedings

On July 28, 1977, the Authority voted to adopt a "Report and Decision on the Application of Intervale-Magnolia Associates for the Authorization and Approval of a Project under Massachusetts General Laws (Ter. Ed.), as amended, and Chapter 652 of the Acts of 1960, to be Undertaken and Carried out by a Limited Partnership formed under Massachusetts General Laws, Chapter 109, and Approval to Act as an Urban Redevelopment Limited Partnership under said Chapter 121A," (the "Report and Decision"). A Certificate of Vote and Mayoral approval of the Report and Decision were duly filed with the Office of the City Clerk on August 10, 1977.

Project

As originally approved in the Report and Decision, the Project consisted of the rehabilitation, operation and maintenance of 28 buildings in 18 parcels scattered throughout the Dorchester neighborhood of Boston containing 88 dwelling units for low and moderate income families. The Project is financed by the Massachusetts Housing Finance Agency ("MHFA"), MHFA Project No. 70-71-R. The Project receives further financial assistance from direct rent supplements under the Section 8 Substantial Rehabilitation Program for 100% of the units. The mortgage loan closed in 1981 and has a remaining balance of approximately \$2.8 million.

Application for Amendment

On December 11, 1987, Intervale-Magnolia Associates and HII Corporation (jointly the "Applicants") filed an application requesting an amendment to the Report and Decision (the "Application"). The Application requests approval of a transfer of the Project to MHFA which will then in turn, immediately transfer the Project to Intervale-Magnolia Associates II Limited Partnership, a Massachusetts limited partnership ("Intervale-Magnolia II" or "New Partnership") to be formed under the Massachusetts General Laws, Chapter 109 for the purpose of acquiring and resyndicating the Project. In addition, certain supplementary materials (the "Supplementary Materials") were submitted, including (1) an MHFA memorandum, dated December 8, 1987, entitled "Resyndication - INTERVALE-MAGNOLIA, DORCHESTER-BOSTON"; (2) an MHFA letter, dated December 9, 1987, evidencing the vote adopted by MHFA on December 8, 1987 in connection with its approval of the resyndication; and (3) a summary sheet of the proceeds from resyndication as prepared by HII Corporation. Both the Application and the Supplementary Material are incorporated herein by reference.

The purpose of the ownership transfer is to create an infusion of capital into the Project through repayment of Project funds and other syndication equity in order to meet current and projected capital needs.

The resyndication is made possible by the provisions of the 1986 Tax Reform Act providing for low-income housing credits upon acquisition of ten-year-old properties. The New Partnership would receive an allocation of low-income federal tax credits for 1987 from the Massachusetts Executive Office of Communities and Development.

Authority Action

In acting hereunder, the Authority has considered the Application and the Supplementary Materials, all documents and exhibits filed therewith and referred to therein, and the oral evidence and other information presented at the Authority's meeting on December 17, 1987, sufficient in the Authority's judgment, to enable it to act as hereinafter set forth:

1. Resyndication: For the purpose of resyndication of the Project, the Authority, subject to the terms and conditions imposed by MHFA in its vote of December 8, 1987 and the rules and regulations hereinafter set forth, approves the transfer of the ownership of the Project as follows: conveyance of the Project by Intervale-Magnolia Associates to MHFA, and the conveyance by MHFA to Intervale-Magnolia II, as more fully described in the Application, Section 5. The Managing General Partner of Intervale-Magnolia II will be Denis A. Blackett or a corporate entity of which he is the principal, either HII Corporation or a new corporate entity. The principal Limited Partner will be Liberty Tax Credit Plus L.P., a New York limited partnership. Liberty Tax Credit Plus L.P. is an SEC-registered, publicly-offered limited partnership of which Related Capital Corporation/Shearson Lehman Brothers, Inc. is a principal sponsor. In addition, there may be a special Limited Partner with a nominal interest affiliated with Related Capital Corporation. Other Limited Partners and sponsors may be substituted for the foregoing, if they are determined by MHFA to be competent to carry out the program as presently approved by the Authority.

2. Period of the Project. The Project shall be subject to Chapter 121A of the Massachusetts General Laws ("Chapter 121A") and Chapter 652 of the Acts of 1960 ("Chapter 652"), both as amended, and this First Amendment until August 10, 2017, forty years from and after the original approval date of the Project, which was August 10, 1977.

3. Rules and Regulations. Notwithstanding the minimum standards for financing, construction, maintenance and management to the contrary, as set forth in or referred to in the Report and Decision, the Authority hereby adopts and imposes on the Project the following rules and regulations which shall be applicable to the Project for as long as Chapters 121A and 652 are applicable thereto:

a. After the conveyance of the Project to Intervale-Magnolia II, all subsequent or alternative financing or refinancing of the Project, including but not limited to, the granting or recording of any mortgages on the Project, shall be made only with the prior approval of the Authority.

b. The Project shall be operated and maintained by Intervale-Magnolia II, or its successors and assigns, until the end of the period of the Project, as low and moderate income rental housing, consistent with the purposes for which the Project was originally approved. In addition, no action shall be taken by Intervale-Magnolia II to convert the Project from residential rental housing to

either cooperative or condominium ownership, which shall constitute a change in residential use and a fundamental change in the Project, without the prior approval of the Authority in accordance with Chapters 121A and 652.

c. When existing subsidies for the Project expire, Intervale-Magnolia II shall have the obligation to seek and accept further available rent or other subsidies for all of the units within the Project for the remainder of its term.

d. Intervale-Magnolia II is required to:

(i) enter into a Regulatory Agreement with the Authority, as required by Chapter 121, Section 18C, the terms and conditions of which must be acceptable to the Authority's Chief General Counsel and the Authority's Director is authorized to execute such Regulatory Agreement; and

(ii) enter into a 6A Contract, in accordance with Chapter 121A, Section 6A, the terms and conditions of which must be acceptable to the Commissioner of Assessing of the City of Boston.

e. All amounts due to either the Department of Revenue, Commonwealth of Massachusetts, under Section 10 of Chapter 121A and the City of Boston under Section 6A of Chapter 121A, up to and including calendar year 1986 shall be paid respectively to the Department of Revenue and the City of Boston and a provision shall be made for any amounts that may be due under Sections 10 and 6A for calendar year 1987 or part thereof, as of the date of the closing on the conveyances of the Project.

f. In the event the agreements referred to in paragraphs 3(d), (i), and (ii) above are not executed by Intervale-Magnolia II and the closing of the conveyances does not occur no later than December 31, 1987, the Authority reserves the right to rescind the approval of this First Amendment in all respects, unless a time extension or extensions for a closing are approved by the Authority.

4. Decision of the Authority. The Authority hereby finds (a) that this First Amendment and the Project, as described herein, conforms to and complies with the provisions of Chapters 121A and 656, as now amended, and the Authority's "Rules and Regulations Covering Chapter 121A Projects In the City of Boston"; (b) that the conveyances referred to herein do not represent a fundamental change in the Project; and (c) that Intervale-Magnolia II appears to have the ability required to perform the obligations and carry out the duties imposed by Chapter 121A, with respect to the Project, including those set forth in the Report and Decision and this First Amendment. Further, the Authority hereby consents to the formation of Intervale-Magnolia II Limited Partnership, as a Massachusetts limited partnership to be organized under Chapter 109, to undertake and carry out the Project in accordance with this First Amendment and Chapters 121A and 652. All of the provisions of the Report and Decision not specifically amended herein or which are not contrary to or conflict with this First Amendment remain in full force and effect.

then amended. A permanent first mortgage loan (the "Mortgage Loan") in the original principal amount of One Million Five Hundred Eighty-Seven Thousand Four Hundred Sixty-Two (\$1,587,462.00) Dollars on the Project is presently held by MHFA.

Intervale-Magnolia Associates	Intamag Corporation
c/o HII Corporation	28 State Street
28 State Street	Boston, MA 02108
Boston, MA 02108	

Notices and requests by the Authority with regard to this Application should be directed to the following:

Charles King	Arthur D. Hittner, Esq.
HII Corporation	Peabody & Brown
28 State Street	One Boston Place
Boston, MA 02108	Boston, MA 02108

2. Project Address.

The Project is the premises known as the Intervale-Magnolia Project. The Project consists of twenty-eight (28) buildings in eighteen (18) separate locations in the Roxbury and Dorchester sections of Boston, Massachusetts. A legal description of the Project area is attached hereto as Exhibit A. The Project consists of 88 units of rental housing, together with parking and related improvements.

3. History.

The Project was originally developed by IMA and approved by a vote of the Authority on July 28, 1977. Said approval was made pursuant to the provisions of c. 121A, and the Acts of 1960, c.

652, and, thereafter, on September 29, 1977 IMA and the Authority entered into an Agreement, a copy of which is attached hereto as Exhibit B. The Project was completed in 1978.

4. HUD Section 8 Contract.

On November 8, 1977, a Section 8 Housing Assistance Payments Contract ("Section 8 Contract") was executed by HUD and Intervale-Magnolia Associates. This Section 8 Contract provides for rent subsidies to all tenants presently residing in the Project (a copy of the Section 8 Contract is attached hereto as Exhibit C). The Applicants are proceeding (with the assistance of MHFA) to secure the necessary HUD approval of the transfer of the Section 8 Housing Assistance Payments Contract to Intervale-Magnolia Associates II who will take title to the Project.

5. Description of Sale Transactions.

A Bargain Sale Agreement will be executed between IMA and MHFA pursuant to which IMA will convey the Project to MHFA for a purchase price of approximately \$3,572,422.00, \$2,802,422.00 of which shall be paid by assumption of the Mortgage Loan, and the balance of \$770,000.00 will be paid at closing. The conveyance pursuant to the Bargain Sale Agreement will occur on or before December 31, 1987.

Following consummation of the foregoing transaction, MHFA will convey the Project to Intervale II, for a purchase price of approximately \$4,273,028.00, \$2,802,422.00 of which will be paid by assumption of the Mortgage Loan, \$700,606.00 by delivery of a purchase money note to MHFA, and the balance of \$770,000.00 which will be paid at closing. The conveyance from MHFA to Intervale II will occur pursuant to a Purchase and Sale Agreement to be

executed between the parties and will take place prior to December 31, 1987.

The foregoing transactions were approved by MHFA by vote of its board on December 8, 1987. A copy of MHFA's approval will be forwarded when available.

6. Management

A Management Plan for the Project currently exists and the current management entity, TSI Management Services, Inc., with experience in the management of projects authorized under General Laws c. 121A and with experience in this project specifically will be retained to implement the same.

7. Succession to the 121A Project.

It is intended that Intervale II shall undertake all of the obligations and rights under the 121A arrangement with the City of Boston, which arise after the transfer of title to the Project, and be substituted for IMA from that time forward in every way relating to the Project. Intervale II is willing to execute any and all documents required by the Authority, including a Regulatory Agreement with the Authority and a 6A Contract with the City of Boston, evidencing such succession and substitution and acknowledging the existence of this Project as a 121A Project upon consummation of the transfer of the Project described in this application.

Denis A. Blackett, the principal of the general partner of IMA, will be the general partner of Intervale II (or will be the principal of a corporate general partner thereof). Mr. Blackett has successfully owned and managed many other rental properties in the City of Boston, including other 121A projects known as Franklin Park (MHFA No. 74-040-R), Concord Houses (MHFA No. 73-106), and Woodledge (MHFA No. 70-095-R), and, therefore, the principal of Intervale II has the ability requisite to perform the obligations imposed by General Laws c. 121A and to carry out the duties required thereunder with respect to the Project.

The Applicants do not request any changes in the plan for the Project as originally authorized and approved by the Authority in 1977. The proposed transfer will not alter the Project's boundaries and will not affect the objectives, standards, requirements and restrictions as to use, construction and design as set forth in such plan. The proposed transfer will not affect the obligations and duties to be performed and carried out with respect to the Project. Since the Project will be unchanged by reason of the proposed transfer, there will be no effect upon the environment.

WHEREFORE, on the basis of the foregoing, the Applicants respectfully request that the Authority consent to:

- (a) the above-described transfer of the Project to MHFA and by MHFA to Intervale-Magnolia Associates II Limited Partnership, together with the transfer of all of the rights, privileges, benefits, exemptions and duties arising upon the transfer of the title to the Project; and

- (b) the formation and organization of Intervale-Magnolia Associates II Limited Partnership to acquire the Project pursuant to the requirements of General Laws c. 121A and the Acts of 1960, c. 652, both as amended.

NOW, THEREFORE,

1. Intamag hereby agrees with the City as follows:
 - A. To carry out the Project by constructing, operating and maintaining the same in accordance with the Application and the provisions of G.L. c.121A, as now existing, and the rules and regulations setting minimum standards for the financing, construction, maintenance and management of the Project as set forth or referred to in the Authority's approval of the Project.

To pay to the Commonwealth of Massachusetts in each of the 15 calendar years following approval of the Project, and in each of the following 25 years included within the Project's extension period pursuant to G.L. c.121A, s.10, with respect to the Project's separate existence at any time within the preceding calendar year, the excise tax payable under G.L. c.121A, s.10. In connection therewith, the Assessing Department hereby determines, and shall continue from time to time to determine, for purposes of the seventh paragraph of G.L. c.121A, s.10, and shall certify to the State Tax Commission and to the Owner annually pursuant to the second paragraph of G.L. c.121A, s.10 so long as this contract is in effect, a fair cash value of the Project which shall not exceed (but may be less than) that amount which would result in an annual excise tax under G.L. c.121A, s.10 equal to the minuend

C. In addition to the excise payable under G.L. c.121A, s.10, to pay the City in each of the 15 calendar years following approval of the Project, and in each of the following 25 years included within the Project's extension period pursuant to G.L. c.121A, s.10, with respect to its separate existence at any time within the preceding calendar year, the amount, if any, by which the excise prescribed by G.L. c.121A, s.10 is exceeded by:

The amounts payable under subparagraph C. (iv) shall cease to be payable for and after any calendar year in which any action is brought, or proceedings are undertaken, for foreclosure of a mortgage or lien on the Project which results in conveyance or other transfer of Intamag's

FIRST AMENDMENT
TO
AGREEMENT BETWEEN THE CITY OF BOSTON
AND
INTERVALE-MAGNOLIA ASSOCIATES

First Amendment made this 5th day of December 1979 to the Agreement (the Agreement) dated September 29, 1977, between INTERVALE-MAGNOLIA ASSOCIATES, a limited partnership organized under G.L. c.109, and the City of Boston, a municipal corporation of the Commonwealth of Massachusetts (the "City"), acting under G.L. c.121A, s.6A and every other power and authority hereto enabling.

WHEREAS, INTERVALE-MAGNOLIA ASSOCIATES (INTAMAG) has received the approval of the Boston Redevelopment Authority and the City under G.L. c.121A to rehabilitate apartment buildings in Dorchester and Roxbury into 68 apartment units (the Project) as more fully set forth in the Agreement.

In connection therewith, INTERVALE-MAGNOLIA ASSOCIATES (INTAMAG) has entered into the Agreement with the City under G.L. c.121A s.6A to pay certain amounts to the City in excess of the excise required by G.L. c.121A, s.10.

The Agreement, which provides for payments under G.L. c.121A, s.10 and 6A aggregating \$20,000 for 1977 and \$27,000 for 1978, the years during which the Project is under construction, and for payment of stated percentages of Project gross income thereafter, was based upon the mutual assumption that INTERVALE-MAGNOLIA ASSOCIATES (INTAMAG) would, by virtue of the approval under G.L. c.121A, be exempt from municipal real estate taxes after the fiscal year 1977.

Due to unforeseen and unavoidable delays in Project approval, INTERVALE-MAGNOLIA ASSOCIATES (INTAMAG) has become liable for fiscal year 1978 real estate taxes for the Project in addition to calendar year 1977 and 1978 excise taxes under G.L. c.121A, s.10 and 6A.

The parties wish to amend the Agreement to alleviate this unintended double taxation, without reducing the amounts previously agreed to be paid by INTERVALE-MAGNOLIA ASSOCIATES (INTAMAG) to the City under the Agreement.

THEREFORE, for valuable consideration, receipt of which is hereby acknowledged, INTERVALE-MAGNOLIA ASSOCIATES (INTAMAG) and the City amend the Agreement thus:

Any overpayment applicable to one calendar year shall, at the election of the City, be either refunded or applied to reduce the payments due in the succeeding calendar years except that with respect to the last calendar year in which the Project shall qualify for 121A, any overpayment by the Owner shall be refunded by the City. For purposes of this contract, an overpayment by the Owner hereunder shall include any amounts paid by the Owner to the City of Boston as real estate taxes, but not amounts paid as interest on past due real estate taxes, pursuant to General Laws, Chapter 59, with respect to the Project Area for Fiscal Year 1978, whether assessed to Owner or to any predecessor in title of the Project Area.

1.4. TERM OF CONTRACT - FISCAL YEAR

a. Term of Contract.

[Alternative provisions—incorporate alternative 1, 2, or 3, as applicable.]

ALTERNATIVE 1—GENERAL

The initial term of this Contract shall be as stated in Section 1.1b. This Contract may be renewed for the number and length of additional terms stated in Section 1.1c, provided that the total Contract term for any unit, including all renewals, shall not exceed the shorter of (1) 40 years or (2) a period terminating on the date of the last payment of principal due on the permanent financing. [Insert in (1) a number of years equal to the maximum anticipated number of years during which assistance payments will be made, not to exceed 40 years]. Renewals shall be automatic unless either party notifies the other in writing, no later than 60 days prior to the expiration of the current term, of his desire not to renew, and the other party agrees in writing that there shall be no renewal. If the project is completed in stages, the dates for the initial term and renewal terms shall be separately related to the units in each stage; Provided, however, that the total Contract term for all the stages, beginning with the effective date of the Contract with respect to the first stage, shall not exceed the total Contract term for any unit specified in this paragraph, plus two years. In any case where the project is owned by, or financed by a loan or loan guarantee from, a State or local agency, the housing assistance payments pursuant to this Contract with respect to any dwelling unit shall be payable over a period not to exceed 40 years.

ALTERNATIVE 2—FOR MOBILE HOMES PROJECT

In the case of mobile homes, the initial term of this Contract for each mobile home shall be as stated in Section 1.1b. This Contract may be renewed with respect to any mobile home for the number and length of additional terms as stated in Section 1.1c, provided that the total Contract term for any mobile home, including all renewals, shall not exceed 40 years. [Insert number as authorized by the Government pursuant to 24 C.F.R. Section 883.206.] Renewals shall become effective only if either party gives written notice, with a copy to the Government, no later than 60 days prior to the expiration of the current term, of his desire to renew, and the other party and the Government give their written concurrence and approval, respectively, before the expiration of the current term. If the project is completed in stages, the dates for the initial term and renewal terms shall be separately related to the mobile homes in each stage; Provided, however, that the total Contract term for all the stages, beginning with the effective date of the Contract with respect to the first stage, shall not exceed the total Contract term stated in Section 1.1d, plus two years. For purposes of this paragraph 2, the term "mobile home" means the original mobile home and any replacement(s) combined.

ALTERNATIVE 3—FOR CERTAIN SUBSTANTIAL REHABILITATION PROJECTS

For a Substantial Rehabilitation project, where the relative cost of the rehabilitation is less than 15 percent of the value of the project after completion of the rehabilitation, the Contract shall be for one term of not more than five years for any dwelling unit. If the project is completed in stages, this term shall be separately related to the units in each stage; Provided, however, that the total Contract term for all the stages, beginning with the effective date of the Contract with respect to the first stage, shall not exceed said Contract term, plus two years.

- b. Fiscal Year. The Fiscal Year for the project shall be the 12-month period ending on the date stated in Section 1.1e; Provided, however, that the first Fiscal Year for the project shall be the period beginning with the effective date of the Contract and ending on the last day of said established Fiscal Year which is not less than 12 months after such effective date. If the first Fiscal Year exceeds 12 months, the maximum total annual housing assistance payment in Section 1.6a may be adjusted by the addition of the pro rata amount applicable to the period of operation in excess of 12 months.

5. ANNUAL CONTRIBUTIONS CONTRACT.

- a. Identification of Annual Contributions Contract. The HFA has entered into an Annual Contributions Contract with the Government, as identified in Section 1.1f, under which the Government will provide financial assistance to the HFA pursuant to section 8 of the Act for the purpose of making housing assistance payments. A copy of the ACC shall be provided upon request.
- b. HFA Pledge of ACC Payments. The HFA hereby pledges to the payment of housing assistance payments pursuant to this Contract the annual contributions payable under the ACC for such housing assistance payments. The HFA shall not, without the consent of the Owner, amend or modify the ACC in any manner which would reduce the amount of such annual contributions, except as authorized in the ACC and this Contract.
- c. Government Approval of Housing Assistance Payments Contract. The approval of this Contract by the Government signifies that the Government has executed the ACC and that the ACC has been properly authorized; that the faith of the United States is solemnly pledged to the payment of annual contributions pursuant to said ACC; and that funds have been obligated by the Government for such payments to assist the HFA in the performance of its obligations under the Contract.

MAXIMUM HOUSING ASSISTANCE COMMITMENT; PROJECT ACCOUNT.

- a. Maximum Housing Assistance Commitment. Notwithstanding any other provisions of this Contract (other than paragraph b of this Section) or any provisions of any other contract between the HFA and the Owner, the HFA shall not be obligated to make and shall not make any housing assistance payments under this Contract in excess of the amount per annum stated in Section 1.1g; Provided, however, that this amount shall be reduced commensurately with any reduction in the number of Contract Units or in the Contract Rents or pursuant to any other provision of the ACC or this Contract (except reductions in Contract Rents pursuant to Section 1.9(d)).
- b. Project Account. As provided in the ACC, in order to receive assistance...

a. General.

- (1) Housing assistance payments shall be paid to the Owner for units under lease by Families in accordance with the Contract. The housing assistance payment will cover the difference between the Contract Rent and that portion of said rent payable by the Family as determined in accordance with the Government-established schedules and criteria.
- (2) The amount of housing assistance payment payable on behalf of a Family and the amount of rent payable by such Family shall be subject to change by reason of changes in Family Income, Family composition, or extent of exceptional medical or other unusual expenses in accordance with the Government-established schedules and criteria; or by reason of adjustment by the HFA of any applicable Allowance for Utilities and Other Services. Any such change shall be effective as of the date stated in a notification of such change to the Family.

- b. Vacancies During Rent-on. If a Contract Unit is not leased as of the effective date of the Contract, the Owner shall be entitled to housing assistance payments in the amount of 80 percent of the Contract Rent for the unit for a vacancy period not exceeding 60 days from the effective date of the Contract, provided that the Owner (1) commenced marketing and otherwise complied with Section 1.2b of the Agreement, (2) has taken and continues to take all feasible actions to fill the vacancy, including, but not limited to, contacting applicants on his waiting list, if any, requesting the HFA and other appropriate sources to refer eligible applicants, and advertising the availability of the unit, and (3) has not rejected any eligible applicant, except for good cause acceptable to the HFA.

c. Vacancies After Rent-up.

- (1) If a Family vacates its unit (other than as a result of action by the Owner which is in violation of the Lease or the Contract or any applicable law), the Owner shall receive housing assistance payments in the amount of 80 percent of the Contract Rent for a vacancy period not exceeding 60 days; Provided, however, that if the Owner collects any of the Family's share of the rent for this period in an amount which, when added to the 80 percent payments, results in more than the Contract Rent, such excess shall be payable to the Government or as the Government may direct. (See also Section 1.10b.) The Owner shall not be entitled to any payment under this subparagraph unless he: (i) immediately upon learning of the vacancy, has notified the HFA of the vacancy or prospective vacancy and the reasons for the vacancy, and (ii) has taken and continues to take the actions specified in paragraphs b(2) and b(3) of this Section.
- (2) If the Owner evicts a Family, he shall not be entitled to any payment under paragraph c(1) of this Section unless the request for such payment is supported by a certification that (i) he gave such Family a written notice of the proposed eviction, stating the grounds and advising the Family that it had 10 days within which to present its objections to the Owner in writing or in person and (ii) the proposed eviction was not in violation of the Lease or the Contract or any applicable law.

- d. Limitation on Payments for Vacant Units. The Owner shall not be entitled to housing assistance payments with respect to vacant units under this Section to the extent he is entitled to payments from other sources (e.g., payments for losses of rental income incurred for holding units vacant for relocatees pursuant to Title I of the Housing and Community Development Act of 1974 or payments under Section 1.10b of this Contract).

- e. HFA Not Obligated for Family Rent. The HFA has not assumed any obligation for the amount of rent payable by any Family or the satisfaction of any claim by the Owner against any Family other than in accordance with Section 1.10b of this Contract.

f. Owner's Monthly Requests for Payments.

- (1) The Owner shall submit monthly requests to the HFA or as directed by the HFA for housing assistance payments. Each such request shall set forth: (i) the name of each Family and the address and/or number of the unit leased by the Family; (ii) the address and/or the number of units, if any, not leased to Families for which the Owner is claiming payments; (iii) the Contract Rent as set forth in Exhibit A for each unit for which the Owner is claiming payments; (iv) the amount of rent payable by the Family leasing the unit i.e., where appropriate, the amount to be paid the Family in accordance with Section 1.31(2); and (v) the total amount of housing assistance payments requested by the Owner.
- (2) Each of the Owner's monthly requests shall contain a certification by him that to the best of his knowledge and belief (i) the dwelling unit is in Decent, Safe, and Sanitary condition, (ii) all the other facts and data on which the request for funds is based are true and correct, (iii) the amount requested has been calculated in accordance with the provisions of this Contract and is payable under the Contract, and (iv) none of the amount claimed has been previously claimed or paid.
- (3) If the Owner has received an excessive payment, the HFA or the Government, in addition to any other rights to recovery, may deduct the amount from any subsequent payment or payments.
- (4) The Owner's monthly requests for housing assistance payments shall be made subject to penalty under 18 U.S.C. 1001, which provides, among other things, that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, or fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.

g. Recoupment of Savings in Financing Cost.

- (1) In the event that interim financing is used and is continued after the first year of the term of the Contract and the debt service of the interim financing for any period of three months, after such first year, is less than the anticipated debt service under the permanent financing on which the Contract Rents were based, an amount reflecting the savings in financing cost, computed in accordance with paragraph c(2) of this Section, shall be credited by the Government to the Project Account, and withheld from housing assistance payments to the Owner. If during the course of the same year there is any period of three months in which the debt service is greater than the anticipated debt service under the permanent financing, an adjustment shall be made so that only the net amount of savings in financing cost for the year is credited by the Government to the Project Account and withheld by the HFA from the Owner as aforesaid and no increased payments shall be made to the Owner on account of any net excess for the year of which the net amount of savings is determined.

(b) The amount based in paragraph (a) of this Section shall be credited to the Project account and withheld from the next housing assistance payment or payments to the Owner.

b. Payments by HFA. The amount of the housing assistance payment, determined in accordance with the provisions of this Contract, up to the amount of the mortgage repayments due the HFA from the Owner pursuant to the mortgage loan made by the HFA for the project, shall be credited to the Owner and transferred monthly by the HFA from the account named and used under the General Depository Agreement pursuant to the ACC to the trustee under the note or bond of resolution of the HFA under which the notes or bonds, to provide the mortgage loan were issued. Any amount of the housing assistance payment in excess of such credit shall be paid by the HFA directly to the Owner.

1.8. MAINTENANCE, OPERATION AND INSPECTION.

a. Maintenance and Operation. The Owner agrees (1) to maintain and operate the Contract Units and related facilities so as to provide Decent, Safe, and Sanitary housing, and (2) to provide all the services, maintenance and utilities set forth in Exhibit C. If the HFA determines that the Owner is not meeting one or more of these obligations, the HFA shall have the right, in addition to its other rights and remedies under this Contract, to abate housing assistance payments in whole or in part.

b. Inspections Prior to Occupancy.

(1) Prior to occupancy of any unit by a Family, the Owner and the Family shall inspect the unit and both shall certify, on forms prescribed by the Government, that they have inspected the unit and have determined it to be Decent, Safe, and Sanitary in accordance with the criteria provided in the prescribed forms. Copies of these reports shall be kept on file by the Owner for at least three years.

(2) The HFA shall inspect or cause to be inspected each Contract Unit and related facilities at least annually and at such other times (including prior to initial occupancy and reletting of any unit) as may be necessary to assure that the Owner is meeting his obligation to maintain the units in Decent, Safe, and Sanitary condition and to provide the agreed upon utilities and other services. The HFA shall take into account complaints by occupants and any other information coming to its attention in scheduling inspections and shall notify the Owner and the Family of its determination.

c. Units Not Decent, Safe, and Sanitary. If the HFA notifies the Owner that he has failed to maintain a dwelling unit in Decent, Safe, and Sanitary condition and the Owner fails to take corrective action within the time prescribed in the notice, the HFA may exercise any of its rights or remedies under the Contract, including abatement of housing assistance payments, even if the Family continues to occupy the unit. If, however, the Family wishes to be rehoused in another dwelling unit with section 8 assistance and the HFA does not have other section 8 funds for such purposes, the HFA may use the abated housing assistance payments for the purpose of rehousing the Family in another dwelling unit. Where this is done, the Owner shall be notified that he will be entitled to resumption of housing assistance payments for the vacated dwelling unit if (1) the unit is restored in Decent, Safe, and Sanitary condition, (2) the Family is willing to and does move back into the restored unit, and (3) a deduction is made for the expenses incurred by the Family for both moves.

d. Notification of Abatement. Any abatement of housing assistance payments shall be effective as provided in written notification to the Owner. The HFA shall promptly notify the Family of any such abatement.

e. Overcrowded and Underoccupied Units. If the HFA determines that a Contract Unit is not Decent, Safe, and Sanitary by reason of increase in Family size, or that a Contract Unit is larger than appropriate for the size of the Family in occupancy, housing assistance payments with respect to such unit will not be abated, unless the Owner fails to offer the Family a suitable unit as soon as one becomes vacant, and ready for occupancy. In the case of an overcrowded unit, if the Owner does not have any suitable units or if no vacancy of a suitable unit occurs within a reasonable time, the HFA will assist the Family in finding a suitable dwelling unit and require the Family to move to such a unit as soon as possible. The Owner may receive housing assistance payments for the vacated unit if he complies with the requirements of Section 1.7.4.

1.9. RENT ADJUSTMENTS.

a. Funding of Adjustments. Housing assistance payments will be made in increased amounts commensurate with Contract Rent adjustments under this Section up to the maximum amount authorized under Section 1.6 of this Contract.

b. Automatic Annual Adjustments.

(1) Automatic Annual Adjustment Factors will be determined by the Government at least annually; interim revisions may be made as market conditions warrant. Such Factors and the basis for their determination will be published in the Federal Register. These published Factors will be reduced appropriately by the Government where utilities are paid directly by the Families.

(2) On each anniversary date of the Contract, the Contract Rents shall be adjusted by applying the applicable Automatic Annual Adjustment Factor most recently published by the Government. Contract Rents may be adjusted upward or downward, as may be appropriate; however, in no case shall the adjusted Contract Rents be less than the Contract Rents on the effective date of the Contract.

c. Special Additional Adjustments. Special additional adjustments shall be granted, when approved by the Government, to reflect increases in the actual and necessary expenses of owning and maintaining the Contract Units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs (i.e., assessments, and utilities not covered by regulated rates), but only if and to the extent that the Owner or the HFA clearly demonstrates that such general increases have caused increases in the Owner's operating costs which are not adequately compensated for by automatic annual adjustments. The Owner or the HFA shall submit to the Government financial statements which clearly support the increase.

d. Overall Limitation. Notwithstanding any other provisions of this Contract, adjustments as provided in this Section shall not result in material differences between the rents charged for assisted and comparable unassisted units, as determined by the HFA (and approved by the Government, in the case of adjustments under paragraph c of this Section); provided, that this limitation shall not be construed to prohibit differences in rents between assisted and comparable unassisted units to the extent that such differences may have existed with respect to the initial Contract Rents.

e. Adjustment to Reflect Actual Cost of Permanent Financing. This paragraph e shall apply if the project is not permanently financed until after the effective date of the Contract. After the project is permanently financed, the HFA shall submit a certification to the Government as

(3) After Contract Rents have been adjusted in accordance with paragraph (1) or (2) of this section, the maximum amount of the HFA commitment shall be reduced by the amount of any unused portion of the Emergency Rent Contingency, and such portion shall be re-allocated to the then current set aside of the HFA, if any. At the same time, if the Contract Rents have been increased in accordance with paragraph (2) of this section, the maximum Contract amount specified in Section 1.1, shall be increased correspondingly.

f. Incorporation of Rent Adjustments. Any adjustment in Contract Rents shall be incorporated into Exhibit A by a dated addendum to the exhibit establishing the effective date of the adjustment.

1.10 MARKETING AND LEASING OF UNITS.

a. Compliance with Federal Department. Marketing of units and selection of Families by the Owner shall be in accordance with the Owner's Government-approved Affirmative Fair Housing Marketing Plan, shown as Exhibit D, and with all regulations relating to fair housing advertising.

b. Security and Utility Deposits.

(1) The Owner may require Families to pay a security deposit in an amount equal to one month's Gross Family Contribution. If a Family vacates its unit, the Owner, subject to State and local law, may utilize the deposit as reimbursement for any unpaid rent or other amount owed under the Lease. If the Family has provided a security deposit, and it is insufficient for such reimbursement, the Owner may claim reimbursement from the HFA, not to exceed an amount equal to the remainder of one month's Contract Rent. Any reimbursement under this Section shall be applied first toward any unpaid rent. If a Family vacates its unit owing no rent or other amount under the Lease, or if the amount owed is less than the amount of the security deposit, the Owner shall refund the full amount or the unused balance, as the case may be, to the Family.

(2) In those jurisdictions where interest is payable by the Owner on security deposits, the refunded amount shall include the amount of interest payable. All security deposit funds shall be deposited by the Owner in a segregated bank account, and the balance of this account, at all times, shall be equal to the total amount collected from tenants then in occupancy, plus any accrued interest. The Owner shall comply with all State and local laws regarding interest payments on security deposits.

(3) Families shall be expected to obtain the funds to pay security and utility deposits, if required, from their own resources and/or other private or public sources.

c. Eligibility, Selection and Admission of Families.

(1) The Owner shall be responsible for determination of eligibility of applicants, selection of families from among those determined to be eligible, and computation of the amount of housing assistance payments on behalf of each selected Family in accordance with schedules and criteria established by the Government. In the initial renting of the Contract Units, the Owner shall lease at least that percentage of those units which is stated in Section 1.1h to Very Low-Income Families (determined in accordance with the Government-established schedules and criteria) and shall thereafter exercise his best efforts to maintain at least that percentage of occupancy of the Contract Units by Very Low-Income Families as determined in accordance with such schedules and criteria.

(2) The Lease entered into between the Owner and each selected Family shall be on the form of Lease approved by the Government.

(3) The Owner shall make a reexamination of Family income, composition, and the extent of medical or other unusual expenses incurred by the Family, at least annually (except that such reviews may be made at intervals of no longer than two years in the case of elderly Families), and appropriate re-determinations shall be made by the Owner of the amount of Family contribution and the amount of housing assistance payment, all in accordance with schedules and criteria established by the Government. In connection with the re-examination, the Owner shall determine what percentage of Families in occupancy are Very Low-Income Families. If there are fewer than the agreed-to percentage of Very Low-Income Families in occupancy, the Owner shall report the fact to the HFA and shall adopt changes in his admission policies to achieve, as soon as possible, at least the agreed-to percentage of occupancy by such Families.

d. Rent Redetermination after Adjustment in Allowance for Utilities and Other Services. In the event that the Owner is notified of an HFA determination making an adjustment in the Allowance for Utilities and Other Services applicable to any of the Contract Units, the Owner shall promptly make a corresponding adjustment in the amount of rent to be paid by the affected Families and the amount of housing assistance payments.

e. Processing of Applications and Complaints. The Owner shall process applications for admission, notifications to applicants, and complaints by applicants in accordance with applicable HFA or Government requirements and shall maintain records and furnish such copies or other information as may be required by the HFA or the Government.

f. Review: Incorrect Payments. In making housing assistance payments to Owners, the HFA or the Government will review the Owner's determinations under this section. If as a result of this review, or other reviews, audit or information received by the HFA or the Government at any time, it is determined that the Owner has received improper or excessive housing assistance payments, the HFA or the Government shall have the right to deduct the amount of such overpayments from any amounts otherwise due the Owner, or otherwise effect recovery thereof.

TERMINATION OF TENANCY. The Owner shall be responsible for termination of tenancies, including evictions. However, conditions for payment of housing assistance payments for any resulting vacancies shall be as set forth in Section 1.7e.

1.11 REDUCTION OF NUMBER OF CONTRACT UNITS FOR LEASE TO ELIGIBLE FAMILIES

- a. After First Year of Contract. If at any time, beginning six months after the effective date of this Contract, the Owner fails for a continuous period of six months to lease at least 70 percent of the Contract Units leased or available for leasing by Families, the HFA, with Government approval, may on 90 days notice reduce the number of Contract Units to not less than the number of units under lease or available for leasing by Families, plus 10 percent of such number if the number is 10 or more, rounded to the next highest number.
- b. At End of Initial and Each Renewal Term. At the end of the initial term of the Contract and of each renewal term, the HFA, with Government approval, may, by notice to the Owner, reduce the number of Contract Units to not less than (1) the number of units under lease or available for leasing by Families at that time or (2) the average number of units so leased or available for leasing during the last year, whichever is the greater, plus 10 percent of such number if the number is 10 or more, rounded to the next highest number.
- c. Restoration of Units. The Government will agree to an amendment of the ACC to provide for subsequent restoration of any reduction made pursuant to paragraph a or b of this Section if the Government determines that the restoration is justified as a result of changes in demand and in the light of the Owner's record of compliance with his obligations under the Contract and if annual contributions contract authority is available; and the Government will take such steps authorized by section 8(c)(6) of the Act as may be necessary to carry out this assurance (see Section 1.6).

WARNING: 18 U.S.C. 1601 provides, among other things, that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, or fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.

2.7 FAILURE OR INABILITY OF HFA TO COMPLY WITH CONTRACT. The following provisions of the ACC are hereby made a part of this Contract:

"(a) Rights of Owner if HFA Defaults under Contract.

"(1) In the event of failure of the HFA to comply with the Contract with the Owner, or if such Contract is held to be void, voidable or ultra vires, or if the power or right of the HFA to enter into such Contract is drawn into question in any legal proceeding, or if the HFA asserts or claims that such Contract is not binding upon the HFA for any such reason, the Government may, after notice to the HFA giving it a reasonable opportunity to take corrective action, determine that the occurrence of any such event constitutes a Substantial Default hereunder. Where the Government so determines, it shall have the right to assume the HFA's rights and obligations under such Contract, perform the obligations and enforce the rights of the HFA, and exercise such other powers as the Government may have to cure the Default; however, whether or not the Government elects to proceed in this manner, the Government shall, if it determines that the Owner is not in default, continue for the duration of such Contract to pay Annual Contributions for the purpose of making housing assistance payments with respect to dwelling units under such Contract.

"(2) All rights and obligations of the HFA assumed by the Government pursuant to this Section 2.16(a) will be returned as constituted at the time of such return (i) when the Government is satisfied that all defaults have been cured and that the Project will thereafter be administered in accordance with all applicable requirements, or (ii) when the Housing Assistance Payments Contract is at an end, whichever occurs sooner.

"(3) The provisions of this Section 2.16(a) are made with, and for the benefit of, the Owner, the HFA (but only in its capacity as lender), or the Owner's other assignees, if any, who will have been specifically approved by the Government prior to such assignment. If such parties are not in default, they may, in order to enforce the performance of these provisions, (i) demand that the Government, after notice to the HFA giving it a reasonable opportunity to take corrective action, make a determination whether a Substantial Default exists under paragraph (a)(1) of this Section, (ii) if the Government determines that a Substantial Default exists, demand that the Government take action as authorized in paragraph (a)(1), and (iii) proceed against the Government by suit at law or in equity."

2.8 RIGHTS OF HFA AND GOVERNMENT IF OWNER DEFAULTS UNDER CONTRACT.

- a. A default by the Owner under this Contract shall result if:

- c. Notwithstanding any other provisions of this Contract, in the event the Government determines that the Owner is in default of his obligations under the Contract, the Government shall have the right, after notice to the Owner and the HFA giving them a reasonable opportunity to take corrective action, to abate or terminate housing assistance payments and recover overpayments in accordance with the terms of the Contract. In the event the Government takes any action under this Section, the Owner and the HFA hereby expressly agree to recognize the rights of the Government to the same extent as if the action were taken by the HFA. The Government shall not have the right to terminate the Contract except by proceeding in accordance with Section 2.16(b) of the ACC and paragraph b of this Section.
- 2.9 REMEDIES NOT EXCLUSIVE AND NO WAIVER OF REMEDIES. The availability of any remedy under this Contract or the ACC shall not preclude the exercise of any other remedy under this Contract or the ACC or under any provision of law, nor shall any action taken in the exercise of any remedy be deemed a waiver of any other rights or remedies. Failure to exercise any right or remedy shall not constitute a waiver of the right to exercise that or any other right or remedy at any time.

2.10 DISPUTES.

- a. Except as otherwise provided herein, any dispute concerning a question of fact arising under this Contract, which is not disposed of by agreement of the HFA and the Owner may be submitted by either party to the Department of Housing and Urban Development field office director who shall make a decision and shall mail or otherwise furnish a written copy thereof to the Owner and the HFA.
- b. The decision of the field office director shall be final and conclusive unless, within 30 days from the date of receipt of such copy, either party mails or otherwise furnishes to the Government a written appeal addressed to the Secretary of Housing and Urban Development. The decision of the Secretary or duly authorized representative for the determination of such appeals shall be final and conclusive, unless determined by a court of competent jurisdiction to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal proceeding under this Section, the appellant shall be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute hereunder, both parties shall proceed diligently with the performance of the Contract and in accordance with the decision of the field office director.
- c. This Section does not preclude consideration of questions of law in connection with the decisions rendered under paragraphs a and b of this Section; Provided, however, that nothing herein shall be construed as making final the decision of any administrative official, representative, or board, on a question of law.

2.11 INTEREST OF MEMBERS, OFFICERS, OR EMPLOYEES OF HFA, MEMBERS OF LOCAL GOVERNING BODY OR OTHER PUBLIC OFFICIALS. No member, officer, or employee of the HFA, no member of the governing body of the State or locality (city and county) in which the project is situated, and no other public official of such State or locality who exercises any functions or responsibilities with respect to the project, during his tenure or for one year thereafter, shall have any interest, direct or indirect, in this Contract or in any proceeds or any benefits arising therefrom. In the case of a project owned by a public housing agency, the foregoing prohibition shall also apply to members of the governing body of the locality (city and county) in which such public housing agency was activated.

2.12 INTEREST OF MEMBER OF OR DELEGATE TO CONGRESS. No member of or delegate to the Congress of the United States of America or resident commissioner shall be admitted to any share or part of this Contract or to any benefits which may arise therefrom.

2.13 ASSIGNMENT, SALE, OR FORECLOSURE.

- a. The Owner agrees that he has not made and will not make any sale, assignment, or conveyance or transfer in any other form, of this Contract or the project or any part thereof or any of his interest therein, without the prior consent of the HFA and the Government; Provided, however, that in the case of an assignment as security for the purpose of obtaining financing of the project, the HFA and the Government shall consent in writing if the terms of the financing have been approved by the Government.
- b. The Owner agrees to notify the HFA and the Government promptly of any proposed action covered by paragraph a of this Section. The Owner further agrees to request the written consent of the HFA and the Government in regard thereto.
- c. (1) A transfer by the Owner, in whole or in part, or a transfer by a party having a substantial interest in said Owner, or transfer by more than one party of interests aggregating a substantial interest in said Owner, or any other similarly significant change in the ownership of interests in the Owner, or in the relative distribution thereof, or with respect to the parties in control of the Owner or the degree thereof, by any other method or means (e.g., increased capitalization, merger with another corporation or other entity, corporate or other amendments, issuance of new or additional ownership interests or classification of ownership interests or otherwise) shall be deemed an assignment, conveyance, or transfer for purposes of this Section 2.13. An assignment by the Owner to a limited partnership, in which no limited partner has a 25 percent or more interest and of which the Owner is the sole general partner, shall not be considered an assignment, conveyance, or transfer.
- (2) The term "substantial interest" means the interest of any general partner, any limited partner having a 25 percent or more interest in the organization, any corporate officer or director, and any stockholder having a 10 percent or more interest in the organization.
- (3) The Owner, and the party signing this Contract on behalf of said Owner, represent that they have the authority of all of the parties having ownership interests in the Owner to agree to this provision on their behalf and to bind them with respect thereto.
- d. In the event of foreclosure, or assignment or sale to the HFA (or mortgagee if the HFA is not the mortgagee) in lieu of foreclosure, or in the event of assignment or sale agreed to by the HFA (or mortgagee if the HFA is not the mortgagee) and approved by the Government (which approval shall not be unreasonably delayed or withheld), housing assistance payments shall continue in accordance with the terms of the Contract.

DATE: December 8, 1987

Summary

HII Corporation (HII) has proposed a resyndication of the Intervale-Magnolia development. The purpose of the ownership transfer is to create an infusion of capital into the property through repayment of project funds and other syndication equity in order to meet current and projected capital needs.

The resyndication is made possible because federal tax credits would be available by the Massachusetts Executive Office of Communities and Development (EOCD) to the new partnership.

To undertake the financing, HII has proposed a three-party transaction. In the first transaction, the current limited partnership would make a bargain sale to MHFA, a qualified governmental agency under Internal Revenue Code Section 170 (c)(1). MHFA would immediately transfer the development to Inter-Mag Associates II, a new Massachusetts limited partnership whose General Partner would be Denis Blackett (and/or a corporation controlled by him.) The principal limited partner would be Liberty Tax Credit Plus L.P., an SEC-registered, publicly-offered limited partnership, of which Related Capital Corporation/Shearson Lehman Brothers, Inc. is a principal sponsor. In addition, there may be a special limited partner with a nominal interest affiliated with Related Capital Corporation.

Background

Intervale-Magnolia is an 88 unit, substantial rehabilitation development for families in the Dorchester section of Boston. It is subsidized under the Section 8-Substantial Rehabilitation program. The mortgage loan closed in 1971 and has a remaining balance of approximately \$2.8 million.

Intervale-Magnolia Associates, a limited partnership, is the mortgagor. The general partner is Inter-Mag Corporation. An affiliate of HII, Tenants Services Incorporated (TSI), is the management agent for the development. HII and its affiliate, TSI, will remain as Managing General Partner and management agent, respectively, for the development.

Proposed Transaction

The financial transaction proposed is similar to those done by the MHFA in some resyndications in 1985. A double, simultaneous transfer of title is planned. First, the property will be conveyed from the existing partnership to MHFA as the intermediary party, subject to the MHFA mortgage. The partners will contribute to the MHFA the appraised value of the property above the existing mortgage. This will be taken as a charitable contribution deduction, partially offsetting their contingent tax obligations. The outgoing limited partners will also receive \$726,500 cash to meet their remaining tax liability.

In the second step, the MHFA will convey Intervale-Magnolia to the new limited partnership, again subject to the MHFA mortgage. As the seller, the MHFA will take back secondary financing, roughly equivalent to the difference between the appraised value and existing mortgage plus personal property, working capital and replacement reserves. The second note is estimated to be for a term of one year longer than the use restriction, at a rate of approximately 1% below the Applicable Federal Rate for long term financing for the month of December 1987, and interest thereon would accrue and be payable at maturity. The payments derived from the public-pooled resyndication offering will be paid at closing. The financial considerations are outlined below:

Transfer One: From Existing Partnership to MHFA

MHFA Mortgage	\$2,802,422
+Value of Charitable Contribution to	
Outgoing Limited Partners	(pending)
+Cash at Closing	<u>743,600</u>
Total Consideration	3,546,022+
Appraised Value	(pending)

Transfer Two: From MHFA to New Limited Partnership

First Mortgage Balance	\$2,802,422
Purchase Money Note	<u>(pending)</u>

Expected Sources and Uses

Gross Capital Contributions	\$ 965,517
Less: Syndication Costs/Fee	<u>195,517</u>
Net Contributions	\$ 770,000
Payment to Outgoing Partners	726,500
Contribution to Replacement Reserves from Equity Raised	328,931

Compliance with MHFA Resyndication Policy

The proposal conforms to Agency resyndication policy as outlined below.

As noted above, the managing general partner of the new limited partnership will be identical to the existing general partner, Inter-Mag Corporation. They have an acceptable record with the Agency.

The MHFA has no prior experience in dealing with Related Capital Corporation/Shearson Lehman Brothers, Inc., the principal sponsor of the publicly-owned limited partnership that is purchasing the development. Agency staff has no knowledge of any problems associated with Related Capital Corporation in owning and managing subsidized housing, but will complete a review prior to granting approval of the transfer. In addition, the MHFA and HUD will require approval of Previous Participation and Compliance (Form 2530) review prior to the transfer.

Tenants were notified of the transfer proposal October 29, 1987. Agency staff and HII representatives met with approximately 25 tenants on Monday, November 16, 1987. The anticipated financial benefits to the development, the retention of the existing subsidies and the impact of an extended lock-in were explained.

The property's capital needs were discussed at some length. A number of items, such as pointing work and security, were mentioned as being addressed through the resyndication. Concerns raised by tenants included garbage and rats in vacant lots, drug problems, holes in walls, roof leaks, and security. While no specific actions on these items were discussed, HII/TSI did agree to review them further.

The mortgage documents for Intervale-Magnolia permits loan prepayment in May, 1991, which is the twentieth year of the 40-year mortgage. There are less than four years to run on that term. As a condition of the resyndication, the MHFA will require the lock to run out the remaining term of the mortgage. A disposition restriction with a 23 year term, with no notice of intent to alter use during this period, will be executed at closing.

The Agency's capital needs assessment of Intervale-Magnolia has indicated a total need of \$486,356 today and over the next five years. The expected repayment and other equity of \$328,931 from resyndication equity to the replacement reserve, when added to existing reserves of \$76,000 or \$916 per unit, will be adequate to address the capital needs of the development. Staff recommends that all reserve contributions be secured under the mortgage.

Because Intervale-Magnolia is to be resyndicated through a pool investment structure, an operating deficit escrow equivalent to 5 percent of gross capital contributions, or \$48,276 is dictated by Agency policy. This escrow is to be funded no later than at closing. The escrow will be made available to fund operating losses or extraordinary physical needs not otherwise correctable for a period of ten years from that date on which the escrow has been fully funded.

As Intervale-Magnolia is taxed under a Chapter 121A agreement, no increase in real estate taxes is expected to result from the transfer. HII is now working to arrange the assignment of existing 121A agreements to partnerships. No escrow to cover operating expense increases is warranted or recommended.

In summary, the proposed ownership team is acceptable, tenants have not registered objections to the transfer and the property will benefit from a significant infusion of capital at closing. Accordingly, staff finds the proposal to be in the Agency's and the development's best interests. Approval of the resyndication is recommended.

MEMORANDUM

4992 7.
DECEMBER 17, 1987

TO: BOSTON REDEVELOPMENT AUTHORITY AND
STEPHEN COYLE, DIRECTOR

FROM: RICARDO A. MILLETT, ASSISTANT DIRECTOR FOR NEIGHBOR-
HOOD PLANNING AND DEVELOPMENT
KEVIN J. MORRISON, DEPUTY GENERAL COUNSEL
KELLY D. KING, ASSISTANT GENERAL COUNSEL

SUBJECT: FIRST AMENDMENT TO THE REPORT AND DECISION ON THE 121A
PROJECT APPLICATION OF INTERVALE-MAGNOLIA ASSOCIATES

SUMMARY: THE FIRST AMENDMENT REQUESTS THE CONSENT OF THE AU-
THORITY TO THE PROPOSED TRANSFER OF INTERVALE-MAG-
NOLIA ASSOCIATES TO THE MASSACHUSETTS HOUSING FINANCE
AGENCY ("MHFA") AND FROM MHFA TO INTERVALE-MAGNOLIA
ASSOCIATES II LIMITED PARTNERSHIP, A MASSACHUSETTS
LIMITED PARTNERSHIP TO BE ORGANIZED FOR THE PURPOSE OF
ACQUIRING AND CARRYING OUT THE PROJECT UNDER MASSA-
CHUSETTS GENERAL LAWS, CHAPTER 121A.

On July 28, 1977, the Authority voted to adopt a "Report and Decision on the Application of Intervale-Magnolia Associates for the Authorization and Approval of a Project under Massachusetts General Laws (Ter. Ed.), as amended, and Chapter 652 of the Acts of 1960, to be Undertaken and Carried out by a Limited Partnership formed under Massachusetts General Laws, Chapter 109, and Approval to Act as an Urban Redevelopment Limited Partnership under said Chapter 121A," ("Report and Decision"). A Certificate of Vote and Mayoral approval of the Report and Decision were duly filed with the Office of the City Clerk on August 10, 1977.

As originally approved in the Report and Decision, the Project consisted of the rehabilitation, operation and maintenance of 28 buildings in 18 parcels scattered throughout the North Dorchester neighborhood of Boston containing 88 dwelling units for low and moderate income families. The Project is financed by the Massachusetts Housing Finance Agency ("MHFA"), MHFA Project No. 70-71-R. The Project receives further financial assistance from direct rent supplements under the Section 8 Substantial Rehabilitation Program for 100% of the units. The mortgage loan closed in 1981 and has a remaining balance of approximately \$2.8 million.

On December 11, 1987, Intervale-Magnolia Associates and HII Corporation (jointly the "Applicants") filed an application requesting an amendment to the Report and Decision (the "Application"). The Application requests approval of a transfer of the Project to MHFA which will then in turn, immediately transfer the Project to Intervale-Magnolia Associates II Limited Partnership, a Massachusetts limited partnership ("Intervale-Magnolia II" or "New Partnership") to be formed under the Massachusetts General Laws, Chapter 109 for the purpose of acquiring and resyndicating the Project. Enclosed are copies of the Application and certain supplementary materials in connection with MHFA's approval of the transfer.

The purpose of the ownership transfer is to create an infusion of capital into the Project through repayment of Project funds and other syndication equity in order to meet current and projected capital needs.

The resyndication is made possible by the provisions of the 1986 Tax Reform Act providing for low-income housing credits upon acquisition of ten-year-old properties. The New Partnership would receive an allocation of low-income federal tax credits for 1987 from the Massachusetts Executive Office of Communities and Development.

The financing of the transfer to Intervale-Magnolia II will require a three-party transaction which is more fully described in the Application. In the first transaction, the Applicant will make a bargain sale to MHFA, a qualified governmental agency under Internal Revenue Code Section 170(c)(1). MHFA would immediately transfer the Project to Intervale-Magnolia II, a Massachusetts limited partnership to be formed under Chapter 109 of the Massachusetts General Laws. The Managing General Partners of the New Partnership would be Denis Blackett or a corporation controlled by him. The principal Limited Partner would be Liberty Tax Credit Plus L.P., a New York limited partnership. Liberty Tax Credit Plus L.P. is an SEC-registered, publicly-offered limited partnership of which Related Capital Corporation/Shearson Lehman Brothers, Inc. is a principal sponsor. In addition, there may be a special Limited Partner with a nominal interest affiliated with Related Capital Corporation.

The foregoing transactions were approved by MHFA by a vote of its board on December 8, 1987. Moreover, MHFA is assisting the Applicant in the process of securing the necessary federal Department of Housing and Urban Development approvals.

Approval of the First Amendment shall not affect the purpose for which the Project was originally approved, subsidized rental housing for low and moderate-income persons. Furthermore, the current management agent, who has had experience in this Project specifically, will be retained. The proposed transfer and capital improvements are expected to meet no objections from the tenants of the Project.

The New Partnership will be required to enter into a new Regulatory Agreement with the Authority pursuant to Chapter 121A, Section 18c and containing such terms and conditions as the Chief General Counsel may in his discretion deem necessary and proper. Likewise, the New Partnership will be required to enter into a new 6A Contract with the City of Boston under Chapter 121A, Section 6A containing such terms as the Commissioner of Assessing deems satisfactory.

It is therefore recommended that the Authority adopt the attached First Amendment to the Report and Decision on the Project.

The appropriate vote follows:

VOTED: That the document presented at this meeting entitled "FIRST AMENDMENT TO THE REPORT AND DECISION ON THE APPLICATION OF INTERVALE-MAGNOLIA ASSOCIATES FOR THE AUTHORIZATION AND APPROVAL OF A PROJECT UNDER MASSACHUSETTS GENERAL LAWS (TER. ED.) AS AMENDED, AND CHAPTER 652 OF THE ACTS OF 1960, TO BE UNDERTAKEN AND CARRIED OUT BY A LIMITED PARTNERSHIP FORMED UNDER MASSACHUSETTS GENERAL LAWS CHAPTER 109, AND APPROVAL TO ACT AS AN URBAN REDEVELOPMENT LIMITED PARTNERSHIP UNDER SAID CHAPTER 121A" be and hereby is approved and adopted.
